The background is a dark blue space filled with yellow stars of various sizes. A large, dark blue circular shape serves as a backdrop for the title. Various celestial bodies and objects are scattered around: a grey cratered planet at the top left, a green planet with horizontal lines at the top right, an orange planet with a yellow ring at the top center, a purple planet with horizontal lines at the bottom left, a yellow planet with a purple ring at the bottom center, a green planet at the bottom right, a blue planet with horizontal lines at the bottom left, a yellow planet with orange spots at the bottom right, a brown planet with orange flames at the middle left, and a blue planet with white clouds at the bottom center. A purple and blue astronaut helmet is positioned above the title, and a blue and yellow spaceship is on the right. A girl with brown pigtails is sitting on a red and orange patterned mat, reading a green book with a blue globe on the cover. The title "ASTRONOMY LOGBOOK for Kids" is written in white, bold, sans-serif font, with "ASTRONOMY" and "LOGBOOK" on separate lines and "for Kids" on a third line below them.

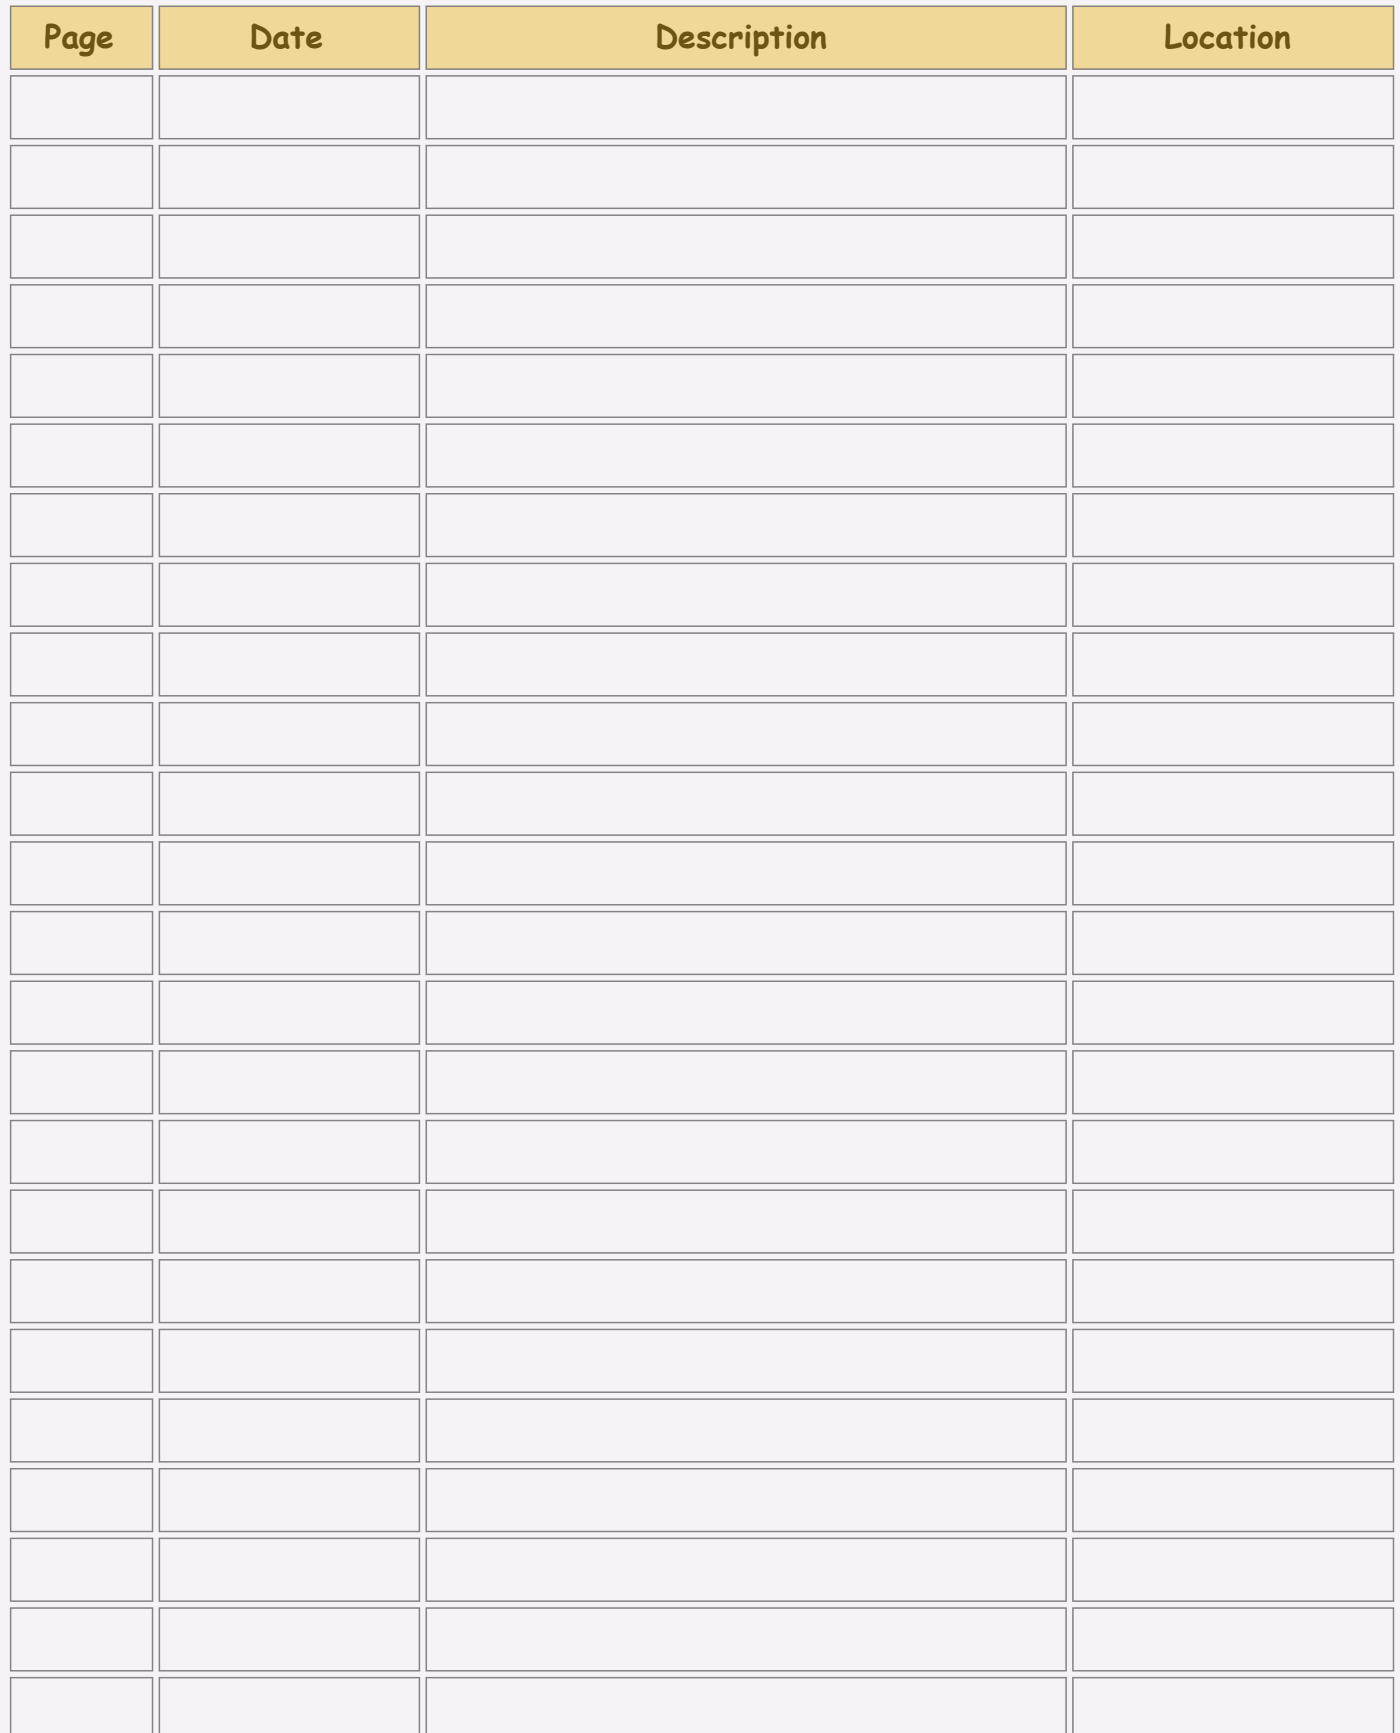

ASTRONOMY LOGBOOK for Kids
