The Enchanted Rose Pen Activity

Create your own Enchanted Rose Pen with this printable activity.

What you will need:

- White paper
- Non-retractable pen
- Scissors
- Glue stick
- Tacky glue
- Clear tape
- Glitter

Kids, have an adult help you with the scissors.

Instructions:

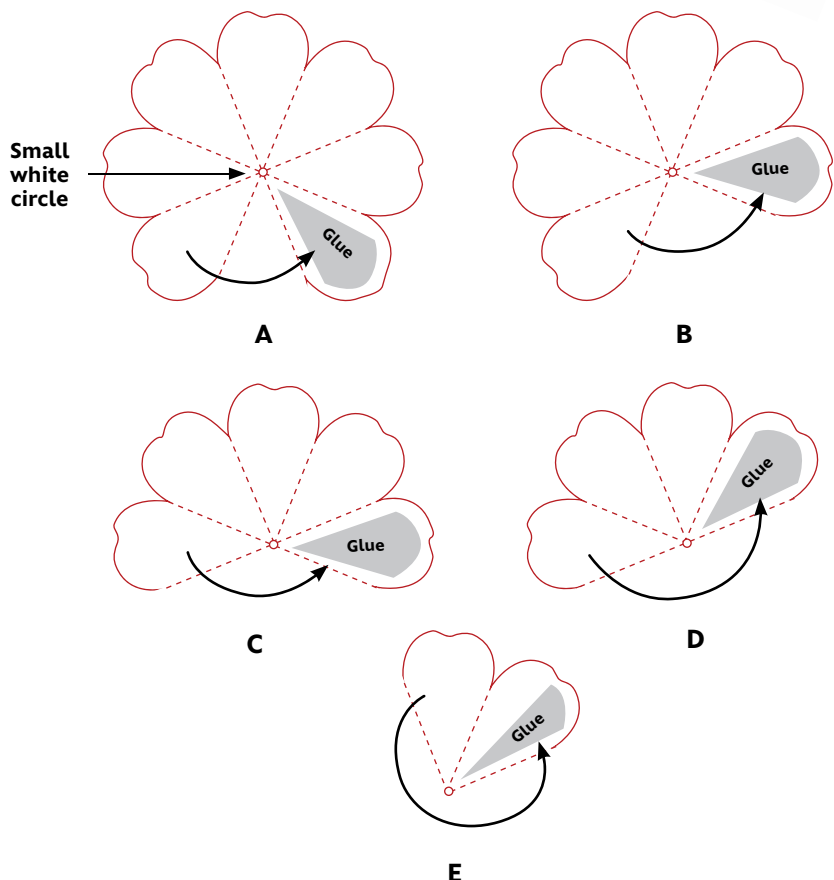

STEP 1 Print pages 3-4 on to white paper. Cut along solid black lines and fold where indicated on the dashed line.

Apply glue stick generously all over the white side of the paper and press the paper together. When the glue is dry trim along the solid red lines.

Fold the red rose shapes along the dashed lines to create the petals. Cut out the small white circle on each shape.

STEP 2 Cut away the petals as shown. Gently curl the petals as shown in the above example. Tip - Roll the edge of the petal around the pen.

Apply glue to the area shown above and glue the adjacent petal to create a cup shape.

The Enchanted Rose Pen Activity

Instructions continued:

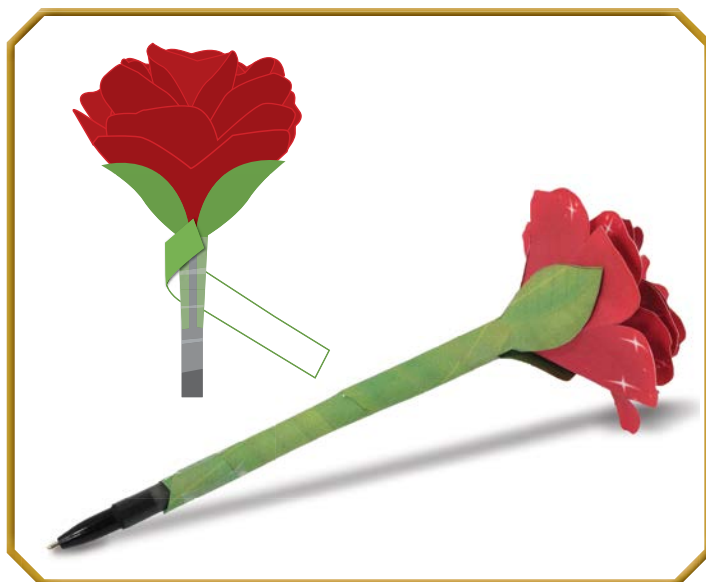

STEP 3 To assemble the rose, apply tacky glue to the inside center of A. Insert B into A and rotate B shape so the petals are staggered. Repeat these steps with each shape. Set the assembled rose upright as shown and allow the glue to dry.

STEP 4 Apply tacky glue to each leaf and adhere to the base of the rose as shown. When the glue has dried, insert the top of the pen between the two green shapes and secure with tape to the pen.

STEP 5 Tape the end of the green strip with it slightly angled as shown, and wrap along the pen to create the stem. Secure with tape.
