Measure the cover of the spiral notebook with a ruler. Print the cover onto sticker paper. If the measurements are less than 8" x 10.5", trim away the extra sticker paper to fit the size of the notebook. Peel the back of the sticker paper off and affix to the front of the notebook. Print the sticker pages onto sticker paper and cut out the stickers as close to the artwork as possible. Use the stickers to create your one-of-a-kind notebook cover!
