

Big Bigger Biggest Pants

Activity Guide

You will need:

- Size Ordering Activity to Support Teaching on Aliens Love Underpants (laminated and cut out - optional)
- Bowl or dish
- 'Aliens Love Underpants' storybook by Claire Freedman

The Activity

- Enjoy sharing the story with each other.
- As you read, point out the different sizes of aliens and pants that are in the illustrations.
- Introduce the dish of pictures to your child.
- Ask your child to tip them out and then sort them out together. Ask questions such as, "Which ones are big?" "Which ones are small?" Use lots of descriptive language as you sort them into piles.
- Give your child a selection of pants and ask them to put them in order of size. Show them how to do this and use lots of language to describe how they change. 'small, bigger, big, biggest.' Use lots of expression to engage your child.
- Encourage your child to do the same and play alongside one another.
- Leave the activity out for your child to explore independently.
