

# Cool Constellations

Constellations can be thought of as a kind of primitive dot-to-dot, as well as an ancient way to illustrate myths and legends. Kids will enjoy this series of worksheets that feature skip-counting constellation dot-to-dots and a constellation chart that can help them identify these constellations in the night sky.

# Table of Contents

Constellation Chart	
Dot to Dot Constellation: Aquila	
Dot to Dot Constellation: Leo	
Dot to Dot Constellation: Canis Minor	
Dot to Dot Constellation: Ursa Minor	
Dot to Dot Constellation: Cancer	

# Constellations

Constellations are groups of stars that make an imaginary shape in the night sky. Cut out the middle square on the dotted lines. Which constellations can you find?
