

Best Dad Ever! Printable Memory Book

Create your own personalized memory book for dad! With this printable activity it's easy to store memories of special occasions and favorite everyday moments with your father. Add your photographs and thoughts to create a one-of-a-kind memory book he'll treasure for years to come.

What you will need:

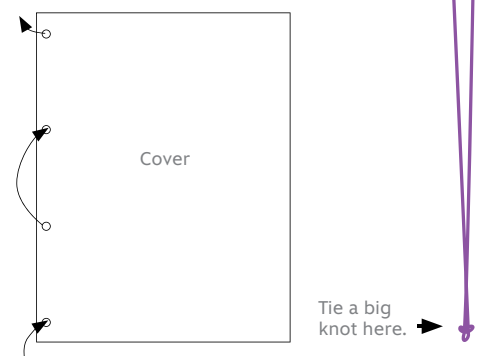

- Card stock paper
 - Glue stick
 - Printer compatible sticker paper
 - Printed photos
 - Hole punch
 - Scissors
 - Twine or yarn
- Kids, please have a grown-up help you with the scissors.

Instructions:

Print the 9 memory book pages onto card stock. Trim out the pages along the black lines. Fold along the dashed line. Punch holes where indicated. Line up the sheets with the holes on left side and thread twine or yarn through the holes to make a book. Glue your photos into the indicated areas and include a written message about the photo if you prefer. Print the sticker page onto sticker paper. Trim around the shapes and add the stickers wherever you like!

How to make the spine:

Thread twine or yarn through the holes as shown. Tie a bow at the top to make the spine.
