FREEBIE fall math pack

Domino addition

Directions: Count the number of dots on each domino and write the numbers on the lines. Add up the dots and put the sum in the box.

$\square + \square = \square$	$\square + \square = \square$
$\square + \square = \square$	$\square + \square = \square$
$\square + \square = \square$	$\square + \square = \square$

What comes next?
Fill in the missing numbers in each row.

3	4		6	
10		12		14
15	16			19
26			29	

Roll a Pumpkin
Roll a die and color the pumpkin.

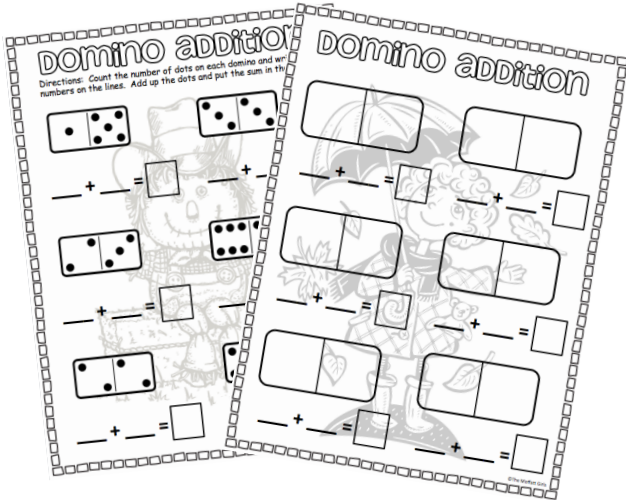

Roll, Add and Color
Roll the dice, add the numbers and color the leaf with the sum.

fall math pack

Thank you for downloading this Fall Math Pack from The Moffatt Girls Shop! This packet includes the following:

*2 Domino Addition Sheets-

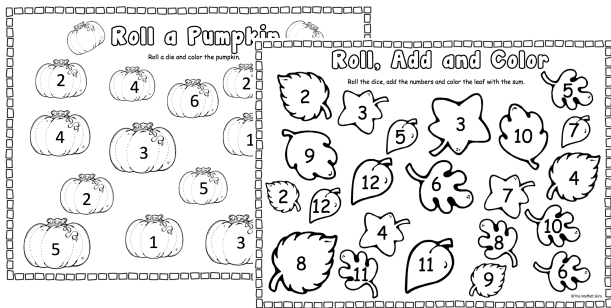

Use the first sheet to help students solve simple addition problems with dominos.

The second sheet can be used to make your own Domino Addition with different domino numbers. This sheet can be used again and again for extra practice.

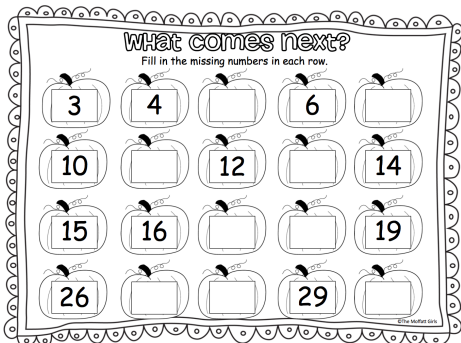

Also included in a large cut out die. You can use this to add some extra FUN to your students' learning activities!

* Roll a Pumpkin and Roll, Add and Color!

Have students roll a die or dice(or the large die), and color in the corresponding sum. Roll a pumpkin uses one die and Roll, Add and Color uses two dice.

*What Comes Next?

Have students fill in the number that comes next in each line of pumpkins.

fall math pack

Thank you for downloading this Fall Math Pack from The Moffatt Girls Shop! This packet includes the following:

*1-20 Cut, Paste and Trace

1-20 Cut, Paste and Trace

Directions: Cut out the numbers and paste them in order from 1-20. Trace the numbers.

4	12	9	16	10
15	5	17	8	19
2	11	6	13	18
14	1	3	7	20

Have students cut out the number sheet and paste the numbers in the correct order.

Next, have students trace the numbers for extra practice.

* 10-100 Cut, Paste and Trace

10-100 Cut, Paste and Trace
Count by 10's!

Directions: Cut out the numbers and paste them in order from 10-100. Trace the numbers.

40	70	20	100	60
forty	seventy	twenty	one hundred	sixty
80	10	50	90	30
eighty	ten	fifty	ninety	thirty
