1. Print out and cut along dashed line.
2. With the color side down, fold the square to make a triangle.
3. Open and fold square the opposite way.
4. Fold triangle to make another triangle.
5. Open and face color side down.
6. Fold 2 corners toward the center with the color side showing.
7. Fold other 2 corners toward the center to make a square.
8. Flip over.
9. Fold 2 corners toward the center.
10. Fold other 2 corners toward the center to make a square.
11. Insert your thumbs and forefingers into the open areas of the squares so the flaps open up. Push the points together in the center.
12. Choose an item and count the number to open the Catcher to reveal the characters. Pull the Catcher apart with your fingers to reveal 4 characters and repeat the other way as you count.

How To Play:

1. Choose one item the Baker needs to collect (Cow, Cape, Slipper or Hair).
2. Alternate opening the catcher the number of times indicated for that item (1, 2, 3 or 4).
3. Pick a song title from the inside once the counting is done and four song selections are revealed.
4. Open the catcher and look inside that song title to see which character you are most like.
