

# Reading Comprehension

## Passages And Questions

Instructions for Using the "Reading Comprehension Passages And Questions" Resource:

1. Start by choosing a page from the resource.
2. Read the title on the first page to identify the comprehension check number.
3. Read the directions on the second step to understand what you need to do.
4. On the left side of the page, you will find the theme of comprehension. On the right side, you will find the actual comprehension passage.
5. Read the comprehension passage carefully.
6. Once you have finished reading the passage, go to the next step where you will find four questions related to comprehension.
7. Read each question carefully and try to answer them based on what you have read in the passage.
8. Write your answers on a separate sheet of paper or discuss them with a teacher or parent.
9. Move on to the next comprehension in the resource and repeat the steps for each page.
10. Take your time, enjoy reading the passages, and do your best to answer the questions accurately.

**Note: If you need any help understanding the passage or the questions, feel free to ask a teacher, parent, or adult for guidance. Have fun and happy reading!**

# Comprehension Check #01
