To the dearest *Charlie Smith*

Ho ho ho! What an exiting and busy year this has been. Up here, in the North Pole, we have all been getting ready for the most wonderful time of the year. The elves have been making toys, the reindeer are preparing for their long journey, and Rudolph is making sure his nose is glowing extra bright!

As for me, I've been making my list, checking it twice and I am so happy that you have made it to the Nice List. Since you have been so good this year, the elves are very busy getting special presents ready just for you!

Mrs. Claus and I are so proud of you and want to make sure you keep up the great work! Remember to be kind to others, help your family and friends, and spread christmas cheers!

We will be arriving to your home after midnight, so make sure you get to bed early. Merry Christmas!
