

Sequencing

Cut and Paste Activities

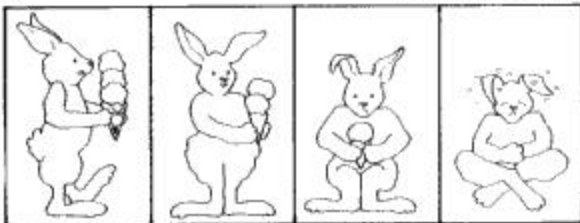

Sequencing

Many of these activities are open-ended. Encourage children to explore the various ways the pictures on certain pages may be sequenced.

- Practice sequence 3, 4, and 5 part picture stories.
- Use the picture for discussion to practice oral language skills and to increase vocabulary.
- Practice visual perception skills. Also cutting and pasting.
- Use the finished picture stories as a basis for writing stories.

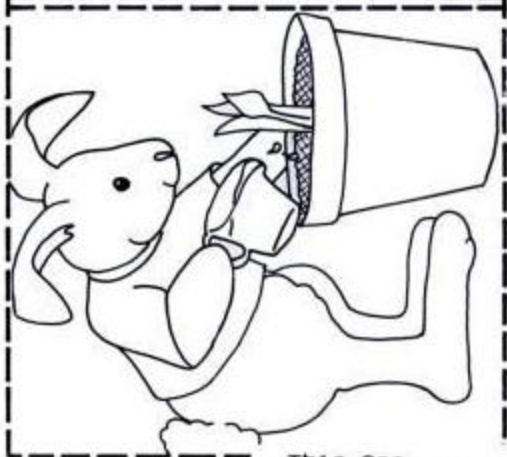

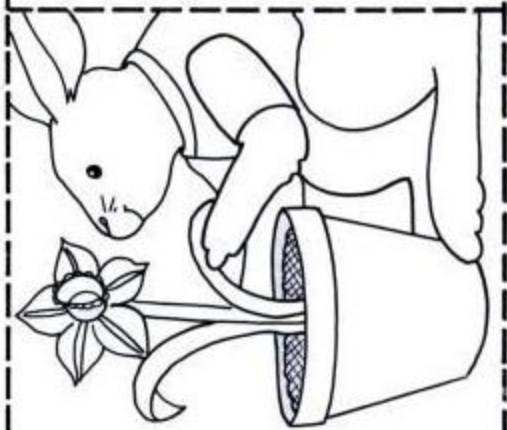

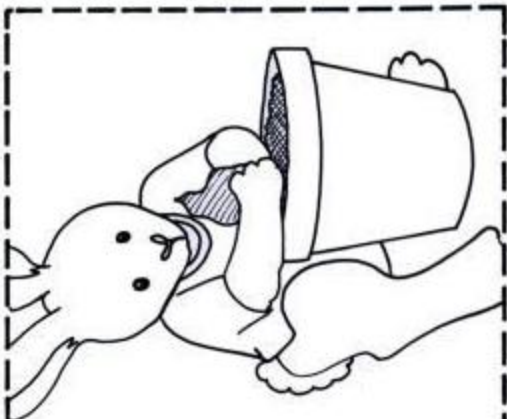

Congratulations on your purchase of some of the finest teaching materials in the world.

- Silent letters
- Digraphs & diphthongs
- Prefixes & suffixes
- Plural & inflectional endings
- Word families

Take It to Your Seat— Phonics Centers

An instructional must-have—full-color centers that accompany *Basic Phonics Skills*.

Each volume contains 12 to 14 centers that provide engaging, independent practice of the phonics skills presented in the same level of *Basic Phonics Skills*.

These centers are self-contained, portable (stored in envelopes), and self-checking. For each center you get a cover, student directions, and student task cards, all in full color. A reproducible answer form completes this winning package.
