Read the text and answer the questions.

## The Lost Kitten

One day, Lucy found a tiny kitten outside her house. It was lost and scared.

Lucy gently picked it up and gave it a cozy bed. She named the kitten Whiskers.

Whiskers purred happily and became Lucy's best friend. They played hide-and-seek and cuddled together. Lucy asked her mom if they could keep Whiskers. Her mom agreed, and they became a loving family.

1. Who found the lost kitten?
