DIRECTIONS: For best results
print this page and the next on cardstock.

Cut around the fire station sign.

Tape together and hang in your fire
station pretend play area.

FIRE

Directions: For best results print the hat and this page on card- stock.

Cut out hat and both red strips.
Assemble by taping the strips to the sides of the hat.

Measure to child's head and cut off the extra. Secure around the child's head with a piece of tape.

Two extra strips are provided on this page so you can make two hats.
