

# Froggy's Weather Words

## Write the Room Activity

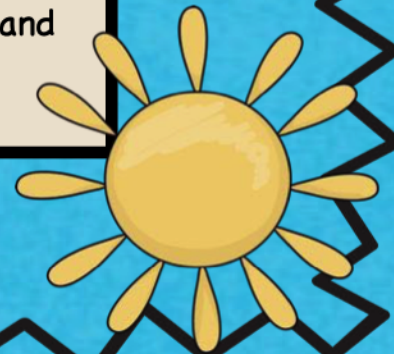

Cut apart the weather cards and place around the room. There are three different sets of cards to choose from depending on which vocabulary is being targeted in class.

Set 1 (rainy, cloudy, sunny, snowy, stormy, windy, partly cloudy)

Set 2 (rain, cloud, sun, snow, storm, wind, partly cloudy)

Set 3 (hot, cold, rainbow, tornado, Fall, Spring, Summer, Winter)

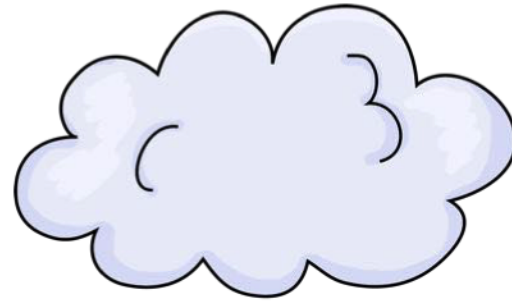

Students use a corresponding worksheet to search around the room and record the weather words.
