

What Would You Like...?

- 1 Look at the pictures and circle the things that you like.

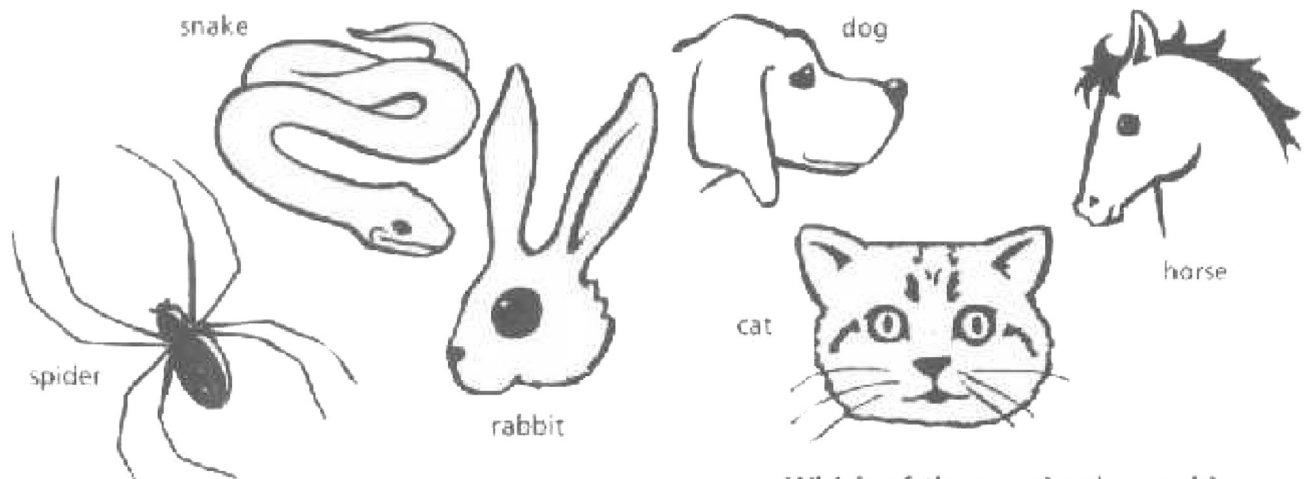

- 2 Do you like doing these things? Look at the pictures and circle the things that you like doing.

Would you like to do these things on a cold, snowy day?

- 3 Look at the pictures and circle the animals that you like.

Which of these animals would you like to have as a pet?

Extra Idea

Students work individually and write down three things they think their partner would like to do and three things they think they wouldn't like to do. In pairs, they then read out the sentences to each other, e.g. 'I think you'd like to go to the United States on holiday', or 'I don't think you'd like to drive a Ferrari.' (not 'I think you wouldn't like to drive a Ferrari').

Their partner says if the guesses are right or wrong.
