Dragon Parade Puppet

1. Color and cut out this friendly dragon.
2. Cut a strip of construction paper to match the width of the dragon's head and tail.
3. Fold the construction paper in a zig-zag pattern:

4. Tape or glue the head of the dragon to one end of the construction paper, and attach the tail to the other end of the construction paper.

5. Tape or glue craft sticks to the back of your dragon puppet. Hold the puppet by the sticks and make the dragon's body dance!
