Earth Day Bingo Board

Complete as many Earth Day activities as you can and try to get "bingo" as you cross them off on the bingo board!

B	I	N	G	O
Go on a Nature Hunt in your neighborhood. If you are at home, hunt for things that came from nature in your house!	Gather recycled materials from your home and create a Recycled Tree Sculpture .	Plant a Garden (window garden, container garden, or backyard garden).	Collect recycled materials and make an Eco-Friendly Multimedia Collage .	Use paper and plastic scraps to create a Scrap Art Junk Truck .
Use colored sand or dirt to Explore the Layers of the Earth at home!	Collect rocks and Paint your own Peace Rocks .	Create Andrew Goldsworthy Art by learning about the artist and making your own art in nature.	Make Your Own Fairy Potion using natural materials.	Make a Milk Carton Bird House to put outside your window!
Make your own Binoculars using recycled toilet paper rolls.	Use your new binoculars to go birdwatching from your window, yard, or in the neighborhood.	Write an Earth Day Acrostic Poem to celebrate the Earth!	Create a CD Fish using an old CD and materials around your house.	Cut up a cardboard egg carton to create an Egg Carton Daffodil .
Use paper and crayons to create your own Nature Rubbings in your backyard or on a neighborhood walk.	Collect natural objects and Make a Self Portrait from Nature .	Explore the properties of light by drawing your shadow using chalk or markers.	Play Nature Tic-Tac-Toe using sticks and rocks!	Learn all about Jane Goodall and create your own Nature Journal .
Make a Spring Collage inspired by nature.	Learn How to Press Flowers using simple materials, such as a book, wax paper, and flowers.	Make Your Own Rainbow using a mirror, water glass, paper, and the sun!	Make an Outdoor Fairy Dwelling using materials from nature.	Learn about water by Making a Water Magnifier using a drop of water, cardboard, and clear plastic.
