Name the States 1

The United States map is missing some of the names of its states! Use the word bank to help you fill in the names.

New York

Montana

Oregon

Louisiana

Maine

West Virginia

Colorado

Illinois

Oklahoma

South Carolina

Name the States 2

The United States map is missing some of the names of its states! Use the word bank to help you fill in the names.

Vermont

Maryland

Road Trip!

Samantha and Jordan are going on a road trip from New York to California. They are going to stop at the capital of every state they pass through. Can you name the states they will pass through?

Food Road Trip Across The U.S.A!

Use your crayon to trace the route you would take to taste all the foods from around the country!

Color the States!

Color the state where you live **red**.
Color the states you have visited **green**.
Color the states you want to visit **blue**.

www.education.com/worksheets

Color the States!

Look at the states you colored green . Why did you visit these states?
Look at the states you colored blue. Why do you want to visit these states?

What's That State? 1

Use a map to help you identify the states by their shapes. You can also use the state capitals as clues.

What's That State? 2

Use a map to help you identify the states by their shapes. You can also use the state capitals as clues.

Make It Short!

Each state in the United States has its own two-letter postal abbreviation. Use the map on this page to find the postal abbreviation for every state.

PAGE 1

Continue to write the postal abbreviation for every state.

Florida	New Jersey
Georgia	New Mexico
Hawaii	New York
Idaho	North Carolina
Illinois	North Dakota
Indiana	Ohio
lowa	Oklahoma

Extreme State Facts

Match each extreme fact to its state!

- The 49th state added to the United States also has the highest point in the U.S. (Mt. McKinley is 20,320 feet above sea level.)
- This western state has the largest salt lake in the western hemisphere. (The Great Salt Lake covers an average of 1700 square miles.)
- This southern state has the largest underground cave in the world. (The Mammoth - Flint cave system is 300 miles long.)
- This western state is home to the oldest living things in the world. (General Sherman, a 3500 year old tree, and a stand of 4000 year old bristlecone pines.)
- This midwestern state has the smallest population in the United States. (Monowi has a poplation of 1.)

Notable State Facts

Molly has collected her state facts, but can't remember which facts go with which states. Can you help her by drawing a line between the facts and their matching states?

- This state is home to Grasshopper Glacier, named for the grasshoppers that can still be seen frozen in the ice.
- This state is the largest producer of maple syrup in the United States.
- Graceland, Elvis Presley's estate and burial site, is found in this state.
- This state is the site of the famous car race, the Indy 500.
- NASA is the headquarters for all piloted U.S. space projects and is found in this state.
- 'Iolani Palace, the only royal palace in the United States, is found in this state.

Going to the Coast

Match each fact with its east coast state!

- The most easterly point in the United States, West Quoddy Head, is found in this state.
- This state is where the Boston Tea Party occured in 1773.
- The first battle of the Civil War took place at Fort Sumter in this state.
- Noah Webster, the author of the first dictionary, was born in this state in 1807.
- Known as the Venice of America, the city of Fort Lauderdale has 185 miles of local waterways and is found in this state.

Road Trip Across the U.S.A.

Tammy's family is taking a road trip! They want to visit the seven capital cities marked on the map. Draw a route for them to take and fill in the names of all the states they are going to pass through!

Name These States: The West

Fill in the names of the western states to complete the map below!

Name These States: The Midwest

Fill in the names of the mid-western states to complete the map below!

Name These States: The South

Fill in the names of the southern states to complete the map below!

Name These States: The East Coast

Fill in the names of the east coast states to complete the map below! The six states in orange form New England.

Note that some of the east coast states are also southern states.

Launch Coordinates

Casey is looking for the perfect place to launch his rocket ship. He has found 4 possible locations.

Use the coordinates below to locate the 4 states that Casey can launch from.

- 1. This location is at 30° north and 97° west: _____
- 2. This location is at 41° north and 78° west:
- 3. This location is at 39° north and 120° west:
- 4. This location is at 46° north and 108° west:_____

State Coordinates

Can you name the states located at the coordinates given below?

- 1. This location is at 37° north and 105° west:
- 2. This location is at 27° north and 82° west:
- 3. This location is at 44° north and 75° west:
- 4. This location is at 38° north and 91° west:_____

State Scavenger Hunt

Zach and Ronnie are on a state scavenger hunt. Use the clues below to help them find the states they're looking for!

- 1. Start in Wyoming. Move one state north and then 3 states to the east. What state are you in?
- 2. Start in Alabama. Move one state north. Follow the 35° latitude line west 4 states. What state are you in?
- 3. Start in east Michigan. Move to the state that is south and east. Move one state northeast. Then go one more state north. What state are you in?
- 4. Start in South Dakota. Follow the 100° longitude line 2 states south. Go 2 states west. Then go to the bordering northwest state. What state are you in?

How many states can you name that start with these letters?

A	L M.		
C	- - -	P R S	
D	-	T	
F	N	U	
H	-	V	
	-	W	
K	- - -
