_____	_____	_____

SECONDARY COLORS REVIEW

Say the name of the 3 secondary colors. Color each crayon with a secondary color and write its name next to it.

Think of 3 things that are in secondary colors and write them in the boxes below next to each color.

purple

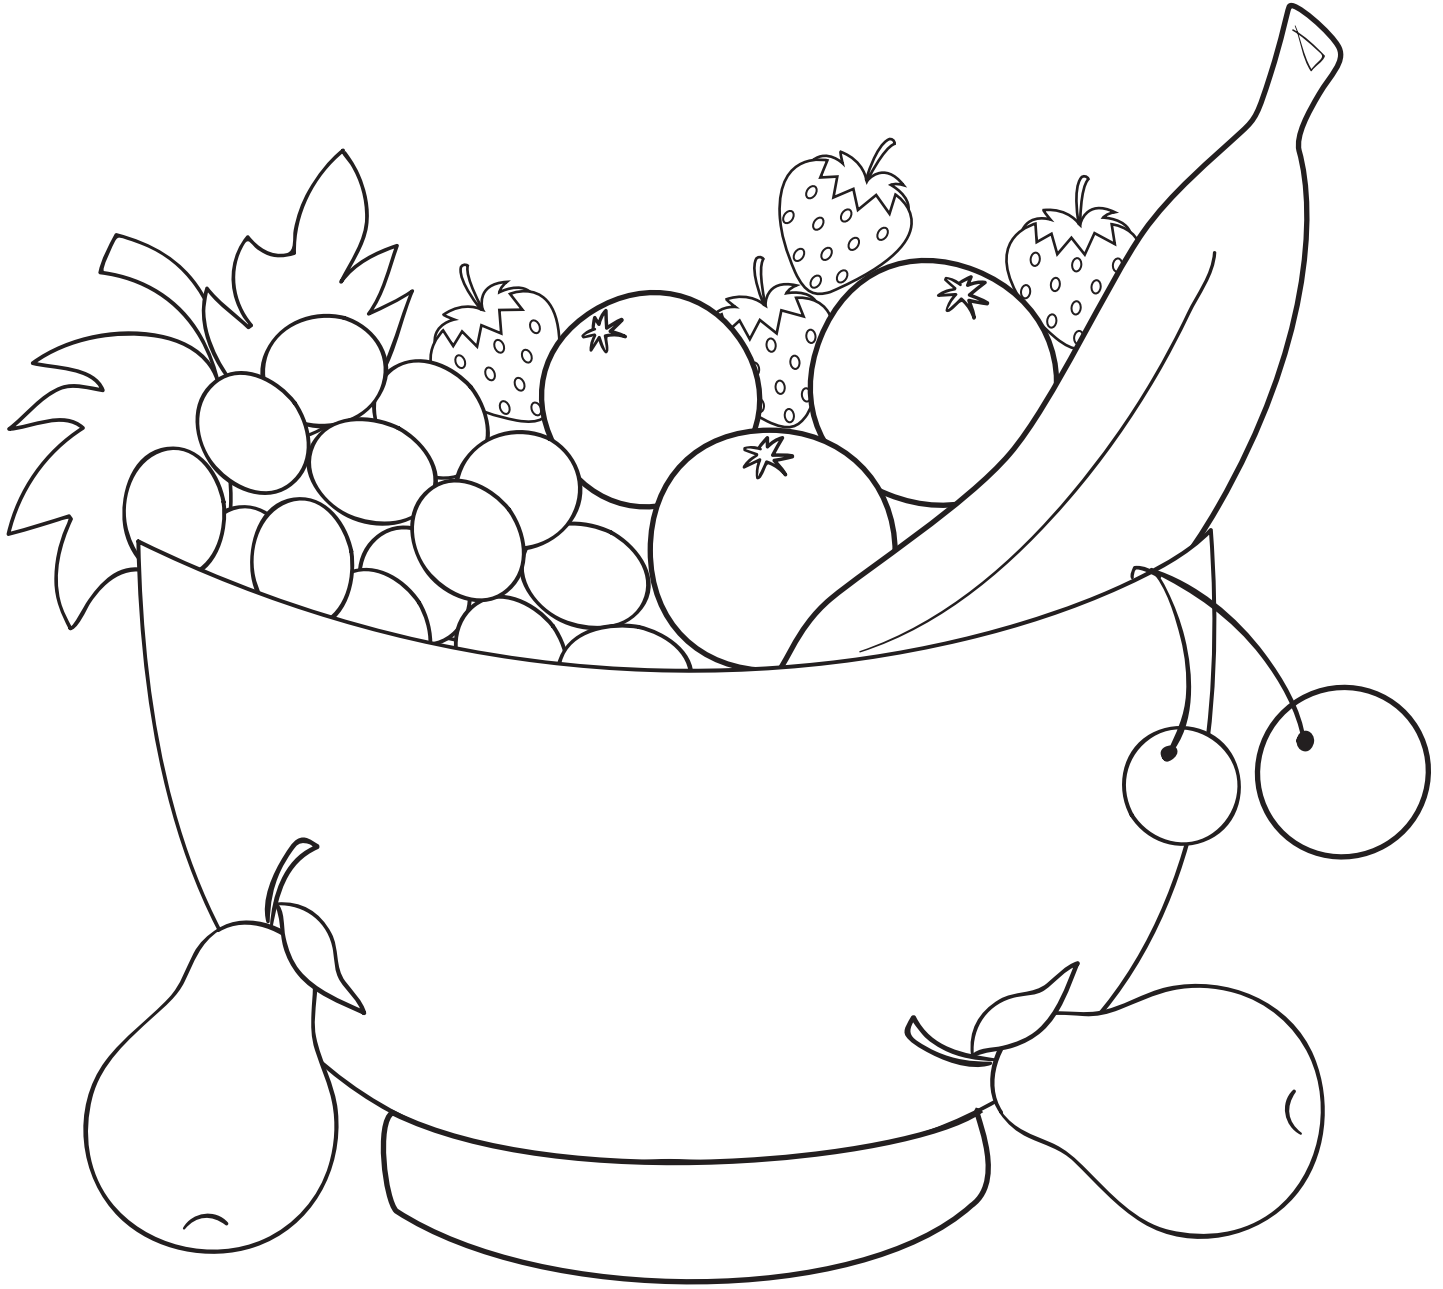

green

orange

FIND THE SECONDARY COLORS

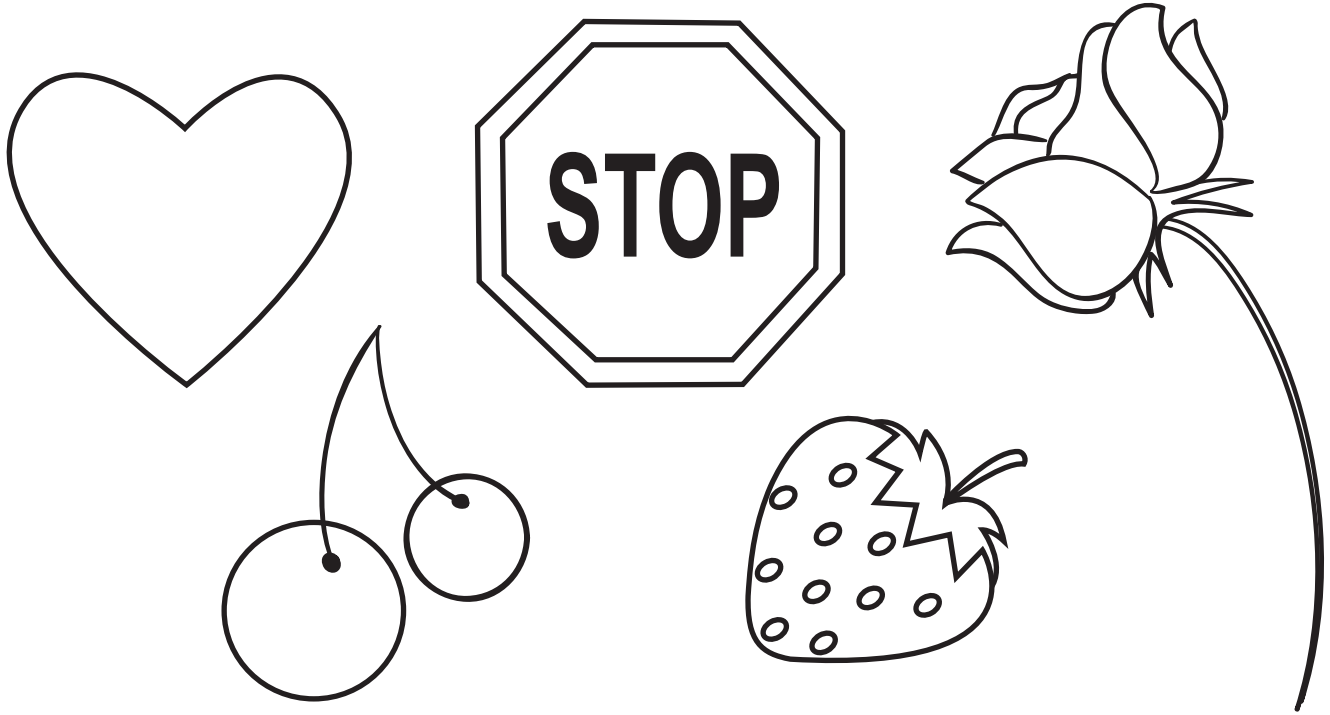

Do you know the three secondary colors? List them, then color the fruits in secondary colors.

_____	_____	_____
-----	-----	-----
_____	_____	_____

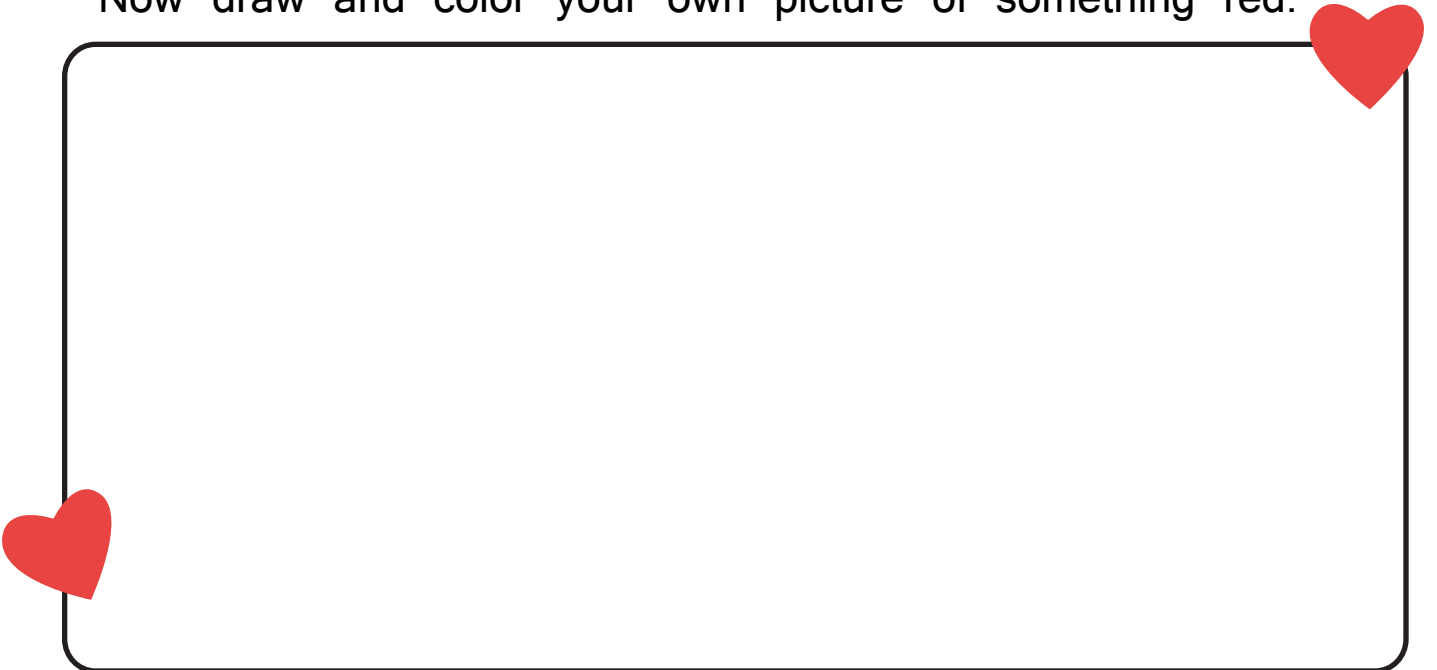

PRIMARY COLORS : RED

Red is one of the three primary colors. Below are some objects that are red. Color them in.

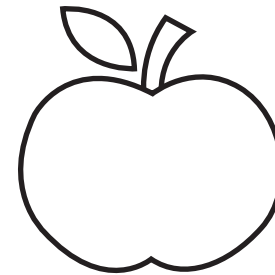

Now draw and color your own picture of something red.

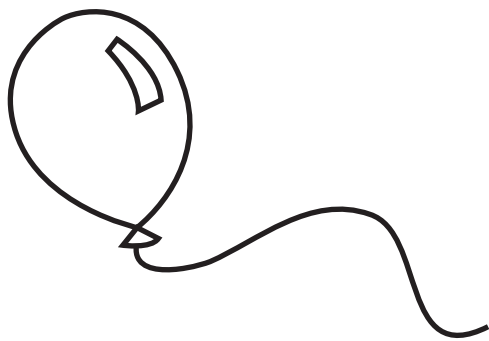

_____'s
Book of Red

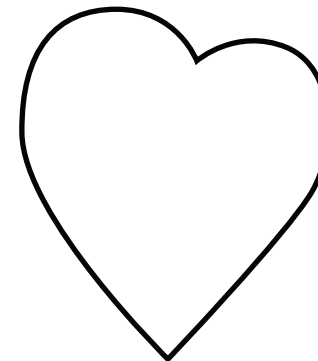

The apple is red.

The balloon is red.

The heart is red.

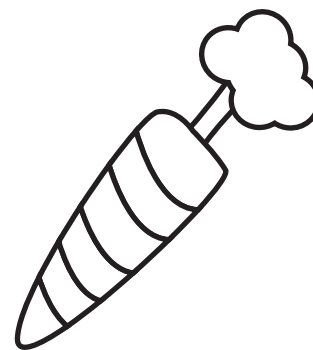

To make your book of red, first write your name. Then, use red to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

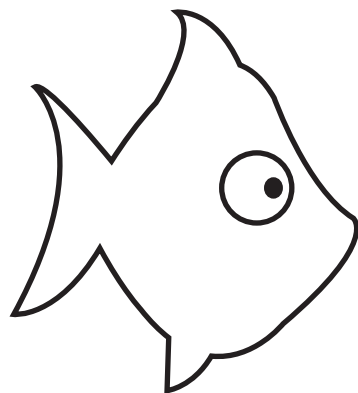

_____'s
Book of Orange

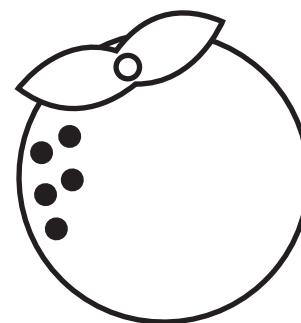

The carrot is orange.

The fish is orange.

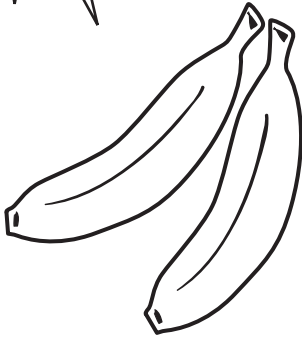

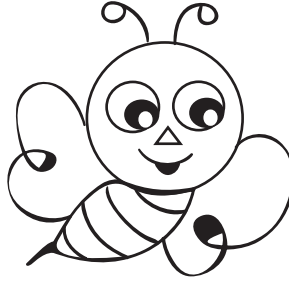

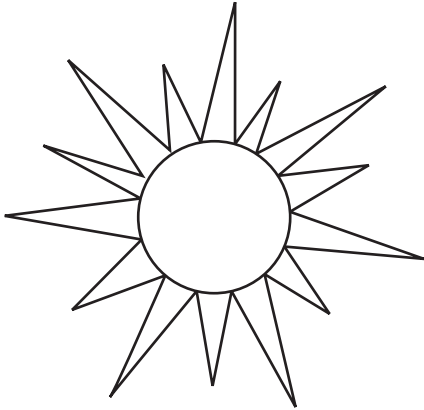

The orange is orange.

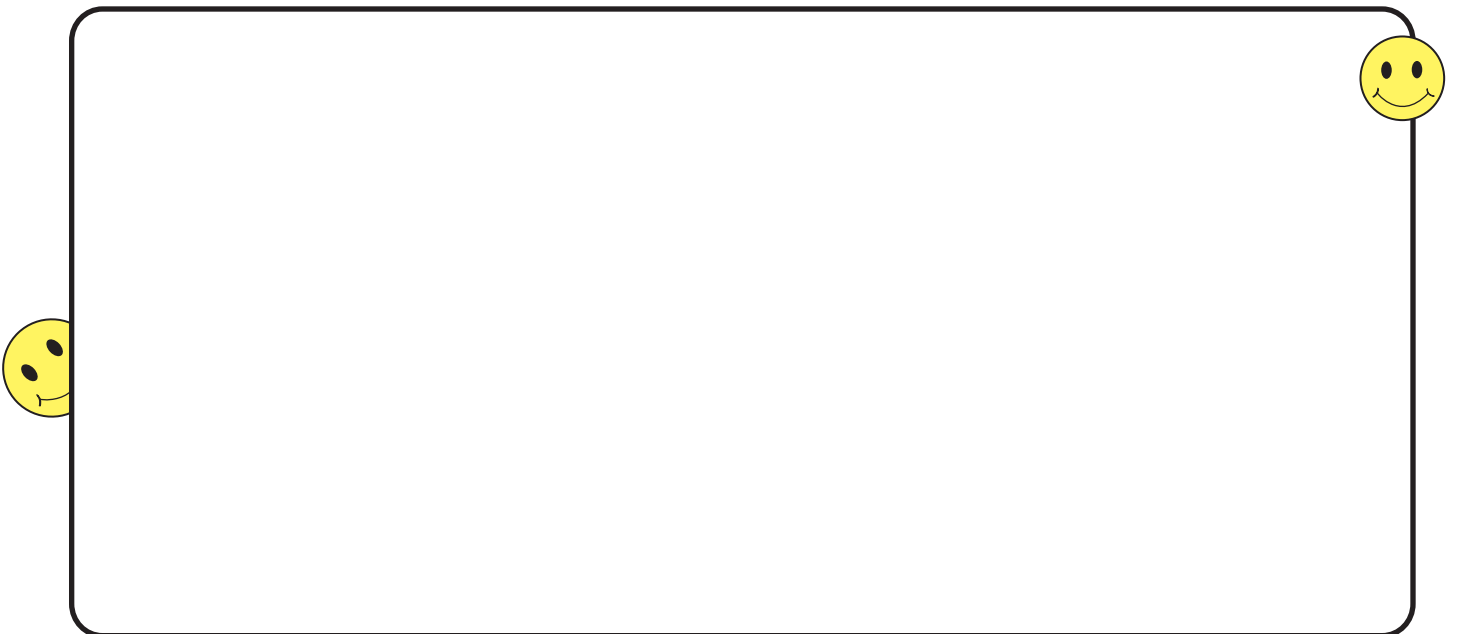

To make your book of orange, first write your name. Then, use orange to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

PRIMARY COLORS : YELLOW

Yellow is one of the three primary colors. Below are some objects that are yellow. Color them in.

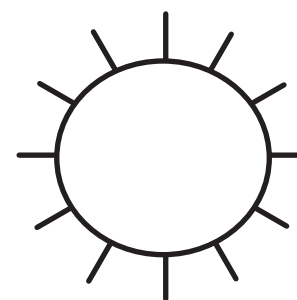

Now draw and color your own picture of something yellow.

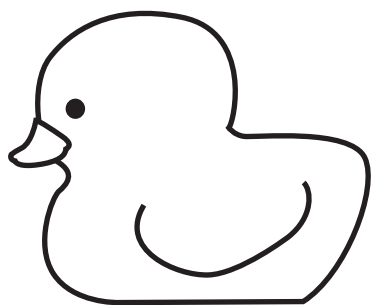

_____'s
Book of Yellow

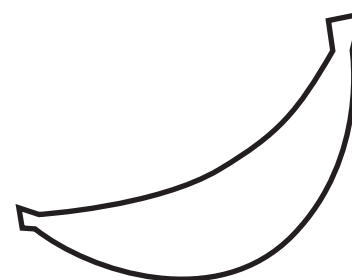

The sun is yellow.

The duck is yellow.

The banana is yellow.

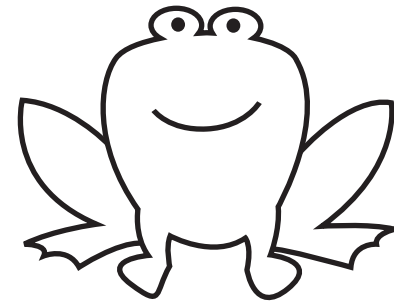

To make your book of yellow, first write your name. Then, use yellow to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

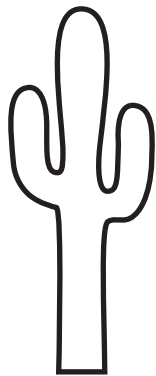

_____'s
Book of Green

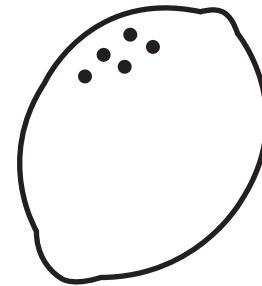

The frog is green.

The cactus is green.

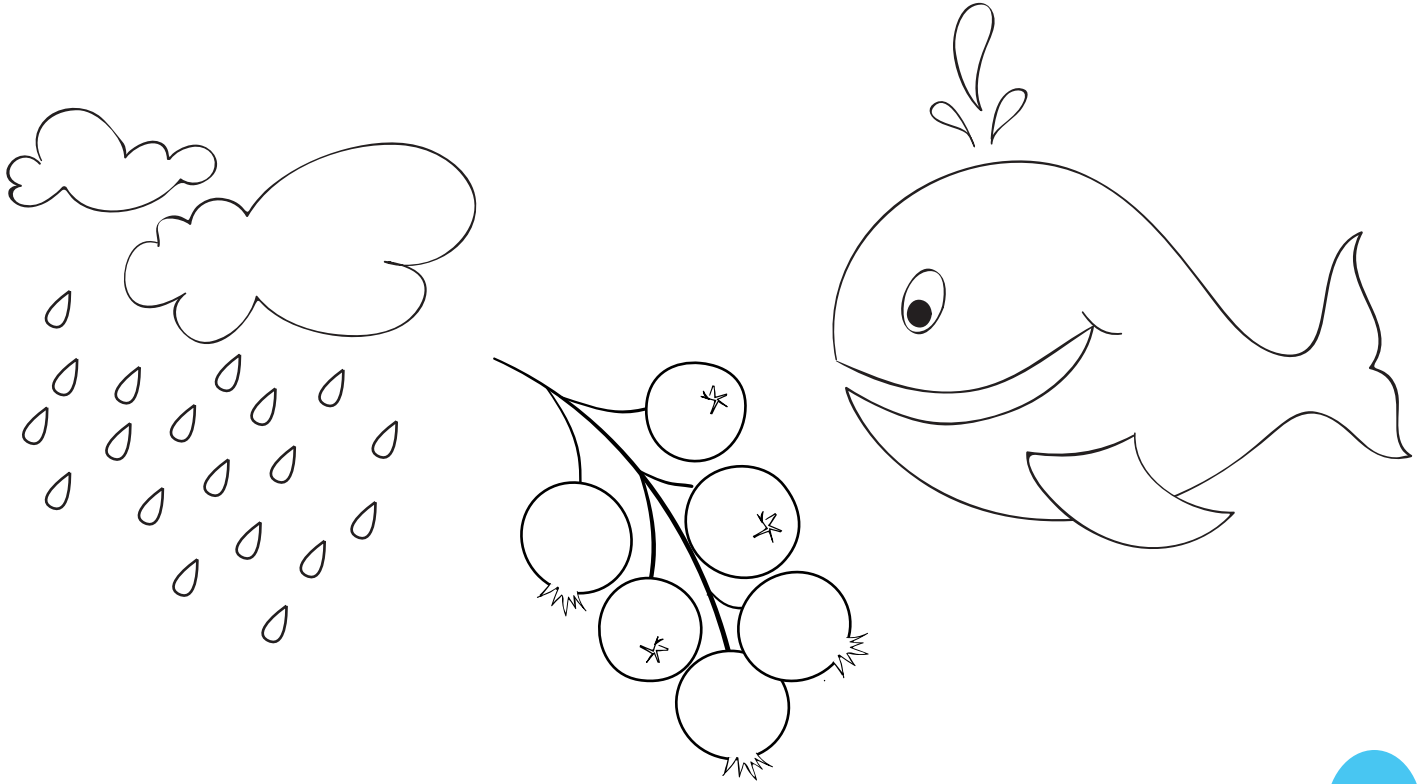

The lime is green.

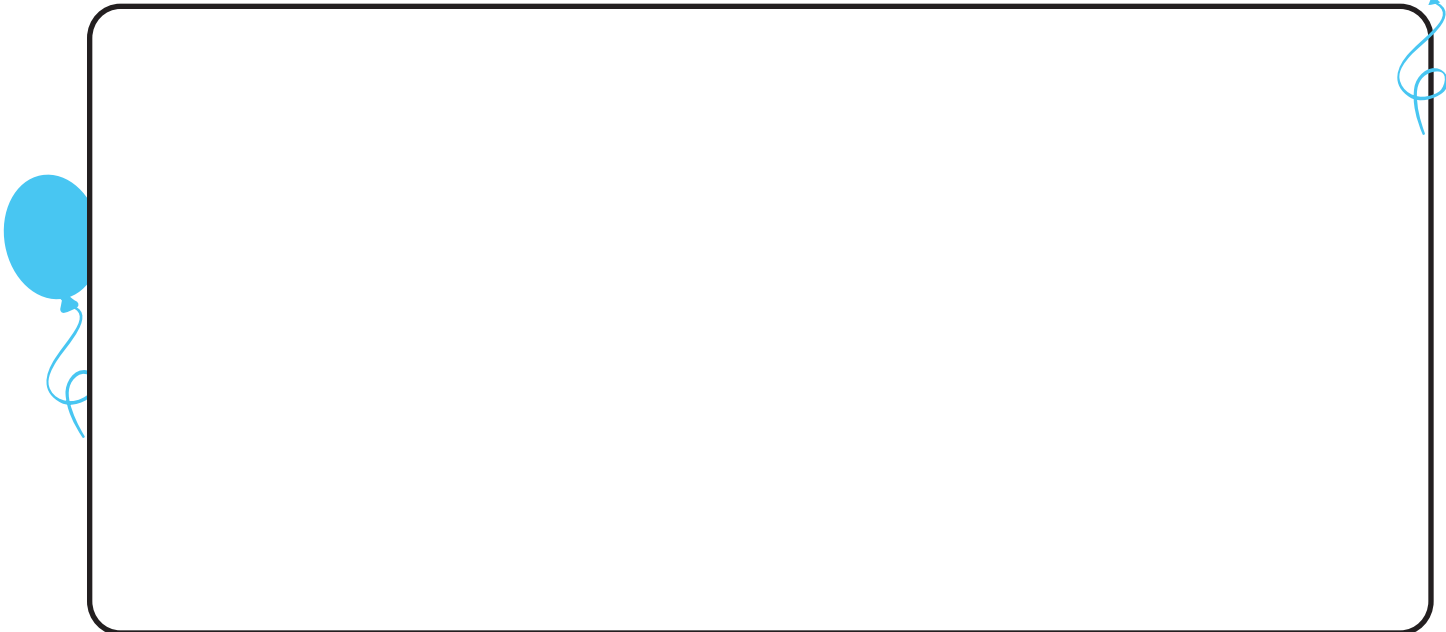

To make your book of green, first write your name. Then, use green to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

PRIMARY COLORS : BLUE

Blue is one of the three primary colors. Below are some objects that are blue. Color them in.

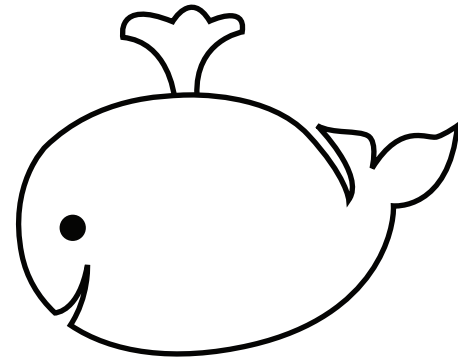

Now draw and color your own picture of something blue.

_____'s
Book of Blue

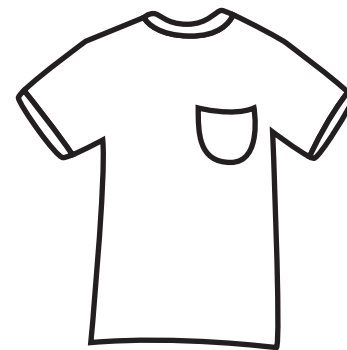

The whale is blue.

The water is blue.

The shirt is blue.

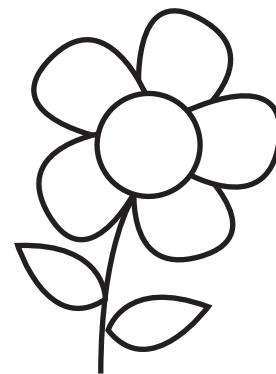

To make your book of blue, first write your name. Then, use blue to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

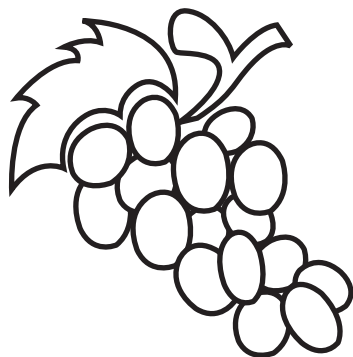

_____'s
Book of Purple

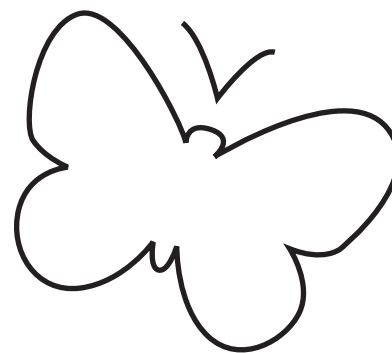

The flower is purple.

The grape is purple.

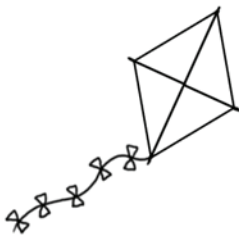

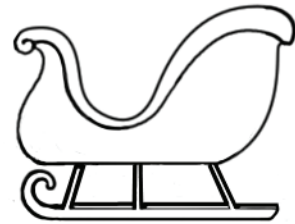

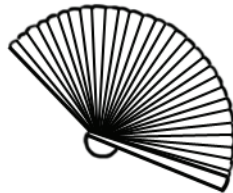

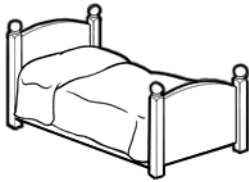

The butterfly is purple.

To make your book of purple, first write your name. Then, use purple to trace the words and color the pictures.
When you are done, cut the pages on the dotted lines and have your parent staple them together!

COLOR RHYMES

Write the name of a color that rhymes with each picture.

Try painting by number using watercolors!
Parents: For best results, print this
page on thick, sturdy paper.

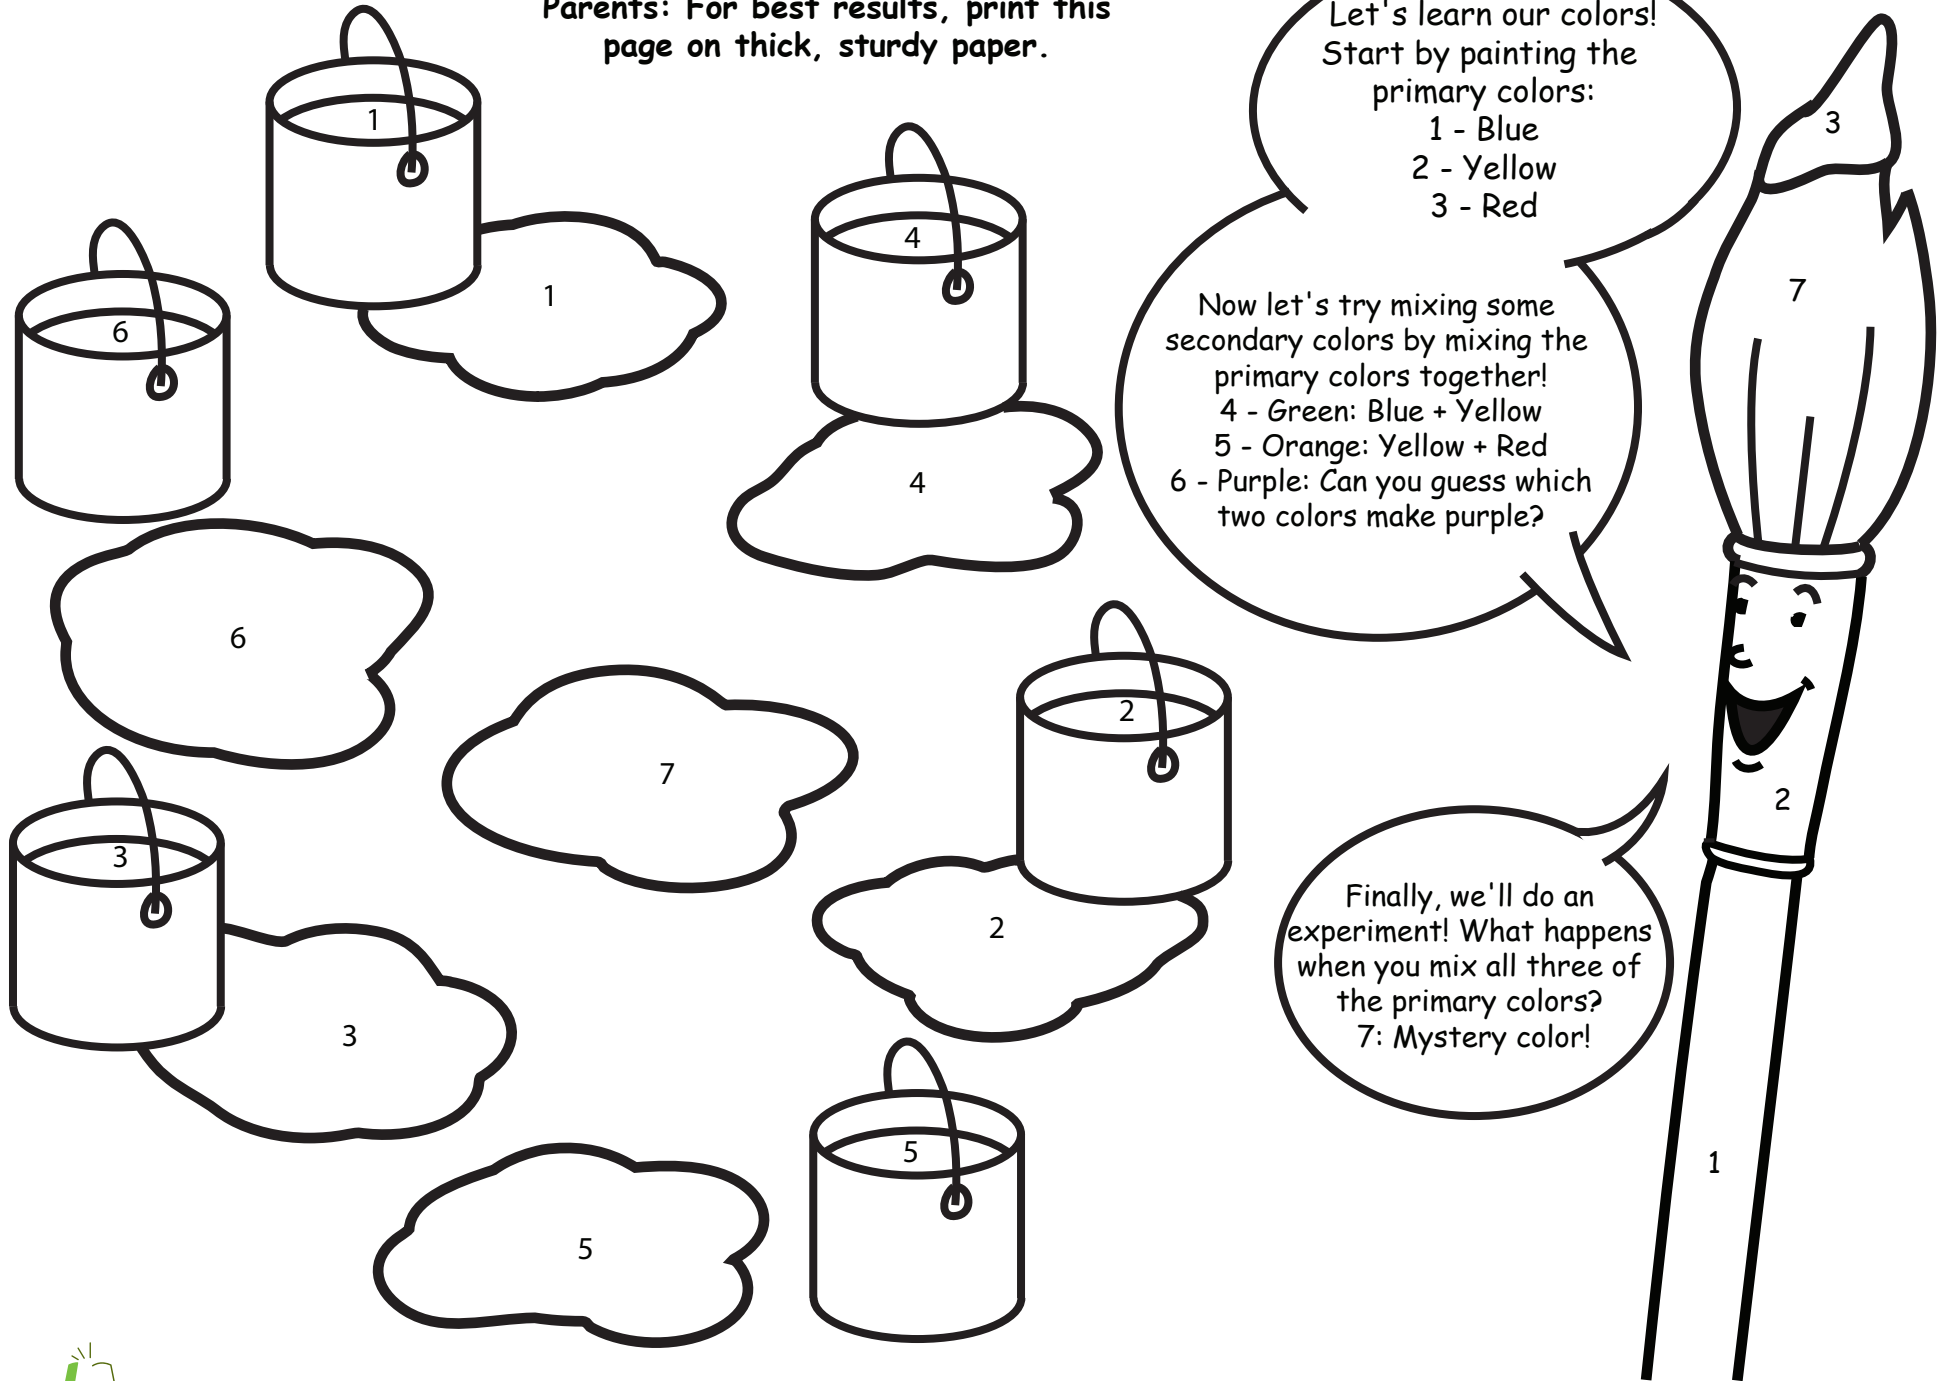

Let's learn our colors!
Start by painting the
primary colors:

- 1 - Blue
- 2 - Yellow
- 3 - Red

Now let's try mixing some
secondary colors by mixing the
primary colors together!

- 4 - Green: Blue + Yellow
- 5 - Orange: Yellow + Red
- 6 - Purple: Can you guess which
two colors make purple?

Finally, we'll do an
experiment! What happens
when you mix all three of
the primary colors?
7: Mystery color!

Great job!
