A vibrant illustration of a night sky filled with fireworks. Three large, stylized firework bursts are the central focus: one in the upper left with yellow and orange streaks, one in the lower left with pink and purple streaks, and one in the lower right with green and blue streaks. The background is a gradient of deep purple at the top to a lighter lavender. Scattered throughout the sky are numerous stars of various sizes and colors, including yellow, orange, and white. A small, thin crescent moon is visible in the upper right quadrant. The overall style is whimsical and celebratory.
